Friday, November 26, 1869.

THE AMERICAN SUNDAY SCHOOL WORKER.

We have received the prospectus of a monthly journal to be published at St. Louis, December 1st, by J. W. McIntyre, No. 4 South Fifth Street, under supervision of a committee, representing the Evangelical denomination. Its sphere is the promotion of the religious education of the young in the Family, Sabbath, Sabbath and Day School, Asylums, &c., in all sections and denominations alike.

It will have a lesson system with expository notes, illustrations, &c., with much other matter ready prepared for the use of teachers, parents, and others.

The Editorial Committee consists of leading ministers of different denominations. The publisher, would no doubt, gladly answer all inquiries.

We return our thanks to Mr. W. R. Cochrane, of the "Mecklenburg House," for a bucket of fine Norfolk oysters. Mr. C. receives these delicious bivalves regularly from well known and responsible dealers in Norfolk, and is prepared to serve them up as desired in the most tempting styles. He will also furnish families.

The "Mecklenburg House" is a nice place, not only to get oysters and other solid luxuries, but the very best concocted "trimmings" hot or cold.

Don Platt of the Cincinnati Commercial writes that he called upon Senator Sprague, at the instance of Hoge, M. C., touching certain interests in real estate owned by the said Senator in this State. Result of his visit—"Columbia Canal, according to Sprague, good bye!"

The latest fashionable color in Paris is called *Eau de Nil* (water of the Nile.) It is a mixture of gray and green, which gives satin the appearance of flowing water. Whether it has any resemblance to that of the Nile is rather doubtful; but the Nile, Egypt, and the Suez canal are now all the go.

The last Virginia interviewer of the President, Colonel John W. Jenkins, chairman of the Radical State Committee, asserts that the Walker party is ignored at the White House, and that the President favors only the Wells party of Virginia, and the A. S. party of Mississippi. The Wells party, says Jenkins, accepts, situation, however, and recommends the admission of the State at the next session of Congress.

PERPETUAL MOTION.—Recently the curiosity of the scientific world was aroused by the announcement that a gentleman, connected alike with war and literature, had discovered perpetual motion, in as far as running for three years consecutively would lay claim to that appellation. He invited a few scientific and literary friends to his chamber, who were curious about the matter, and then displayed the machine. It turned out to be his tailor's bill, which had been running for three years.

There is skating in Louisville already.

Wooden railways are popular in Canada.

The big Australian diamond turns out quartz.

Iowa farmers are feeding their horses with wheat, it being cheaper than oats.

Accounts show that Thanksgiving Day was duly observed throughout the entire country.

A stone front building fell in St. Louis last Thursday, and buried thirteen men in the ruins.

Col. Flournoy has received 70,000 acres of land by way of subscription to the Norfolk and Great Western Railroad.

Senator Sherman is preparing a bill for funding the public debt, which he proposes to introduce at the coming session of Congress.

Napoleon is reported to have been unusually cordial to Minister Washburne at the reception at Compiegne on Thursday.

At a meeting of soldiers of the war of 1812, held in Newport, R. I., last week, 22 veterans were present, whose united ages amounted to 1,675 years, an average of about 77 years each.

Forty Thousand Cases of Goods.

Goods were shipped from our house in One Year, to families all over the country, in every part of the country, from Maine to California, amounting in value to over

ONE MILLION DOLLARS.

Our facilities for transacting this immense business are better than ever before. We have agents in all the principal cities to purchase goods from the manufacturers, importers, and others for cash, and often at an immense sacrifice from the original cost of production.

Our stock consists, in part, of the following goods:

Shawls, Blankets, Quilts, Cottons, Ginghams, Dress Goods, Table Linens, Towels, Hosiery, Gloves, Skirts, Corsets, &c., &c.

Silver-Plated Ware, Spoons, plated on Nickel Silver, Desert Forks, Knife Cases, &c., &c.

Wares, Glass Ware, Table and Kitchen

Cutlery in great variety.

Goods, Beautiful Photographs, Albums, and the newest and choicest styles in Morocco and Velvet Bindings.

Morocco Travelling Bags, Handkerchiefs and Gloves, &c., &c.

Gold and Plated Jewelry, of the newest styles.

We have also made arrangements with some of the leading Publishing Houses, that will enable us to sell the standard and latest works of popular authors at about one half the regular price—such as BRONX, MOON, BURKE, MIXON, and TAYLOR'S Works, in full Gift and Cloth Bindings, and hundreds of others.

These and everything else for

ONE DOLLAR FOR EACH ARTICLE.

We do not offer a single article of merchandise, that can be sold by regular dealers at our price. We do not ask you to buy goods from us unless we can sell them cheaper than you can obtain them in any other way, while the greater part of our goods are sold at about

One-half the Regular Rates.

We want good reliable agents in every part of the Country. By employing your spare time to form Clubs and sending us orders, you can obtain the most liberal commissions, either in Cash or Merchandise, and all goods sent by us will be as represented, and we guarantee satisfaction to every one dealing with our house.

Agents should collect ten cents from each customer and forward to us in advance, for Descriptive Checks of the goods we sell.

The holders of the Checks have the privilege of either purchasing the article thereon described, or of exchanging for any article mentioned on our catalogue, numbering over 350 different articles—not one of which can be purchased in the usual way for the same money.

The advantages of first sending for Checks are these: When constantly buying small lots of very valuable goods, which are not on our catalogue, and for which we issue checks till all are sold; besides, in every large club we will put checks for WATCHES, QUILTS, BLANKETS, DRESS PATTERNS, or some other article of value, giving some members of the club an opportunity of purchasing an article for about one quarter of its value.

In every order amounting to over \$50, accompanied by the cash, the Agent may retain \$2.00, and in every order of over \$100, \$3.00 may be retained to

PAY THE EXPRESS CHARGES.

This offer is more especially to assist Agents in the Western and Southern States, but is open to all customers.

COMMISSIONS

Agents will be paid ten per cent. in Cash or Merchandise, when they fill up their entire Club, for which below we give a partial List of Commissions:

For an order of \$30, from a club of Thirty, we will pay the Agent, as Commission, 25 yds Brown or Bleached Sheetting, Good Dress Pattern, Wool Square Shawl, French Cassimere Pants and Vest Pattern, Fine Large White Counterpane, etc., etc., or \$3 in cash.

For an order of \$50, from a club of Fifty, we will pay the Agent, as Commission, 45 yds. Sheetting, One pair heavy Wool Blankets, Poplin Dress pattern, Handsome wool Square Shawl, Silver-Case Watch, etc., etc., or \$5 in cash.

For an order of \$100, from a club of one hundred, we will pay the Agent, as commission, 100 yds good yard-wide Sheetting, Coin-Silver Hunting Case Watch, Rich Long Wool Shawl, Suit of all Wool French Cassimere, etc., etc., or \$10 in cash.

We do not employ any Travelling Agents, and customers should not pay money to persons purporting to be our Agents, unless personally acquainted with them.

SEND NO MONEY BY REGISTERED LETTERS.

GROCERIES,
And everything kept in a first-class Establishment.
Having twenty years experience in this city, at knowing well the tastes and wants of this community, I flatter myself, with the advantages I possess, that I shall make a successful stock of goods almost anywhere, and having purchased my goods under the latest decline, I am confident I can sell cheap, if not cheaper, than any house in the city.
